If you're too busy don't worry about it – no harm no foul – I'll do it when I get in.

I hope to be in tomorrow but (b) (6)

Damn (b) (6)

Good trip yes! A little busy but I'll take a look. Get better. You think you'll be in tomorrow?

I assume you're in? Good trip? I got sick as a dog...

If you want to do a woman post today (to keep on schedule) you can go to the doc I saved on the g: drive- it's under media team/weeks of action/epawomenbios I think.

I have the order I'm doing them and the FB posts and in some cases tweets. If Cindy Beeler is next, she wanted an edit to her bio first- I sent it to Tim.
